

***Company: Spunkface Samplers***

***Collection: 020\_ Dubstep 2***

***Catalog: SPFS\_020***

***Release Date: 22/06/2011***

***Format: 24Bit WAV***

***Engineer: Michael L Penman***

***Release Info:***

This weeks collection sees Spunkface Samplers go back to some nice low rumbling dubstep. With heavy crunchy beats, deep ball busting basslines and some nice organic lush music and synth loops thrown in for good measure.

All loops and key and tempo (140BPM) labeled to make it easy for you to quickly put a track together.

Each sample is 24Bit and processed through high end gear. To ensure the best quality for the customer.

This pack contains:

17 Drum Loops, with full, stripped and top (kick free) versions.

9 Bass Loops

8 Music/Synth Loops

15 Hits
